## CFD simulation of a burner for SYNGAS characterization : preliminary results and experimental validation

**Author Company:**

University of Perugia

**Author Name:**

M. D'Amico

U. Desideri

F. Fantozzi

**Industries:**

**Products:**

**Conference:**

CD-adapco is the world's largest independent CFD focused provider of engineering simulation software, support and services. We have over 30 years of experience in delivering industrial strength engineering simulation.
