Combination of CFD Results with Empirical Techniques to Predict Long-Term Boiler Operational Characteristics

Presented at the STAR American Conference 2011

Author Company:

Porter McGuffie

Author Name:

Sean McGuffie

Industries:

Oil and Gas^[2]

Products:

Conference:

STAR American Conference 2011^[3]

CD-adapco is the world's largest independent CFD focused provider of engineering simulation software, support and services. We have over 30 years of experience in delivering industrial strength engineering simulation.
