Lotus F1 Race Team Laser Light Show

We're happy to be a partner of the Lotus F1 Race Team! Check out this super-cool video featuring their E21 which will be used in the 2013 Formula One World Championship! For best results, put on a set of headphones - the music is great

CD-adapco is the world's largest independent CFD focused provider of engineering simulation software, support and services. We have over 30 years of experience in delivering industrial strength engineering simulation.
